

General Safeguarding and Welfare Requirement: Safety and Suitability of Premises, Environment and Equipment

We have a strict no-smoking policy, which prevents smoking in all areas of the premises, including outside areas.

No-smoking

Policy statement

We comply with health and safety regulations and the Safeguarding and Welfare Requirements of the Early Years Foundation Stage in making our setting a no-smoking environment - both indoors and outdoors.

Procedures

- All staff, parents and volunteers are made aware of our No-smoking Policy.
- No-smoking signs are displayed.
- The No-smoking Policy is stated in information for parents.
- We actively encourage no-smoking by having information for parents and staff about where to get help to stop smoking if they are seeking this information.
- Staff who smoke do not do so during working hours, unless on a break and off the premises.
- Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.
